<b>Warranty</b>	5 years

Fross is a meticulously crafted freestanding light, designed to enhance both office and home environments with its minimalist design and rich texture. The attention to detail in its assembly and the exquisite finishes give Fross a distinctive and captivating aesthetic. The lamp holder is constructed from premium 6063 aluminum and PMMA/PC materials, ensuring durability and a Unified Glare Rating (UGR) of less than 16, providing a soft and healthy lighting experience. The housing is coated with a high-quality, uniformly applied powder finish, further enhancing its sleek appearance. Fross also features advanced functionalities such as dimming and color temperature (CCT) adjustment, allowing users to customize their lighting experience to suit any setting.
