<b>UGR</b>	<11
<b>LED lifespan</b>	50000h
<b>Power Factor</b>	0,95
<b>Mounting Version</b>	Standing
<b>Dali</b>	Yes
<b>Warranty</b>	5 years

The Fora T is a meticulously designed lighting solution ideal for modern office environments. Combining sleek aesthetics with innovative functionality, this fixture is equipped with advanced micro reflectors and anti-glare covers, achieving a Unified Glare Rating (UGR) of less than 11 for exceptionally comfortable and soft illumination. Engineered to efficiently light up to four desks, Fora T offers uniform lighting distribution with independent controls for direct and indirect light, allowing for tailored lighting setups. It also incorporates smart features, such as motion and daylight sensors, to enhance energy efficiency and user convenience. Constructed from premium aluminum, steel, and PC materials, Fora T is not only durable but also designed for straightforward installation, eliminating the need for professional assistance. This makes it a versatile and practical choice for contemporary office spaces. SDCM <3
